Dear Rose,

I received your recent date & will enclose you check for amt. asked for. We asked you several times as to your expenses but you never answer me.

We borrowed this money that I send you this time. We cautioned you about going in debt; to economize but it don't seem to have retrenchment effect;

what were you doing at Buna Vista, what do you want to go to see Georgia for them kind of people care nothing about you & you

ought to know it; Besides your
 time & money gone,
 we have not been very well
 here none of us, but are all
 now able to go, making Sugar
 has been our employment -
 for some time.

Miss Mollie Campbell is very ill
 now & we think it very doubtful
 if she recovers.

you said something about
 the sale of my Mountain Land
 we have been negotiating for some
 time & it is sold if the other
 party complies so it hangs
 there has been very cold
 weather here for some time
 and snow, the worst we

have had this winter & cut the
cattle worse, it is warmer
to day. & raining. Snow gone.
and so it is.

Mr Fudge is in a bad way from
what your Aunt Lda writes you
Ma-ma, I feel so sorry for him
I don't know any thing else of
news to write, Boon Slamon & his wife
of Texas is visiting his Slaves
& Flusher Kim,

write us soon

your father

Asst -

P.S.
your mother has just told me that
you are getting money, from the
boys at Hightown. now if that is
the way you are spending
I'll cut you off. right now,
is it possible that the money I've
sent you don't defray all
necessary expenses & there more?
It looks like there is something
wrong & I've not got it to
spend that way & well you
know it. now I want a
fair statement; I've sent you
about \$250, to the middle of April
it would take 140 for board. there
is over \$100. for incidentals
so far. now you see it
is gone.
