Nov 27, 1910.

My dear Roscoe.

I have been intending to write to you ever since Sallie and William came up from down there but just put it off, but hope you will excuse me for not writing and thanking you for the nice hand bag you sent me, it surely was a pleasant surprise and I thank you so much for it, and I do not expect any Xmas present from you * I just tell people that my Xmas presents have commenced to come now. It has been raining here all evening

and I think it will turn in to snow before long. Did you and George have a nice Thanksgiving we had our turkey last Sunday^{the} we were all here except you and George and I wished for you both.

Holmes took John to town this evening, John seems to be getting along very well at school and I hope he will continue to improve. I went up to Hightown Thursday evening and did not come back untill yesterday.

I hope you can come home Xmas I dont think it is worth while to talk to George about that although we want to see him very much. Holmes got him self a new fur over coat the other day, it is a real

nice looking one and I think it will
be nice and warm

William and Sallie seemed to think
they had a grand trip down there
with you all.

I havent any news so thanking you
again for the nice bag I will close
With love your devoted sister

Susan.
