Dear father 'George had a letter from mama
~~from~~ this morning saying you all got back
all right. We had court here all
week until Friday. I had two law
cases and one criminal case tried and
~~was~~ came out on ~~all~~ them all. We
have had quite an interesting case in
town here Collins against Anderson
for unlawful detainer and Anderson won.
He then fenced up a part of one of the
streets out near the depot, and Collins
tenants applied for an injunction Friday
which was granted removing the
fence. Don't know what will happen
next, but there was much excitement
for a day or two. Uncle Geo. went up
to the farm yesterday. It has been
very hot for the past day or two here.
No news here. I would like to get
up to July court but don't know yet
about it. The summer normal begins
here tomorrow. How are your cattle
doing. Write soon. With love to all

Yours affectionate son,

Lescoe
